School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Welcome to North Country, a Franklin Covey Leader in Me school and an award winning Title I Academic Achievement School. Our mascot is the Timber wolf. The center of a wolf's universe is its pack. Developing strong, social bonds with pack mates is dependent on the wolf's survival. With that in mind, we believe that together we can achieve and succeed. Our program addresses children's unique learning strengths as we recognize that all students can be successful learners and leaders.

North Country is a community; there is no one person or group who can take credit for the success of our school. The ingredient that remains constant is quality people with a genuine concern for students. The staff is committed to teaching all students the Seven Habits of Highly Effective People guiding them in respecting themselves and others. Through a Multi-Tiered System of Supports, we develop social, emotional, and academic well-being in all of our students.

The students here at North Country, together with an exceptional PTO, devoted certificated and classified staff, and a core of parent volunteers have all worked together to create a true learning community. We are proud to say we belong to North Country Elementary and we hope you will feel the school spirit next time you visit our campus.

North Country Mission Statement

Our mission is to empower learners and inspire leaders in a safe and nurturing community.

North Country Vision Statement

To achieve our mission, North Country Staff will:

- Set & follow clear expectations for student behaviors and procedures
- Encourage staff, parent, and community teamwork
- Consistently teach and practice the 7 Habits

We will consistently teach Leader in Me strategies to reinforce positive student interactions

We will be positive, contributing members of our collaborative teams

We will foster an attitude of mutual respect amongst every member of the staff

We will support students in the use of Leadership Notebooks to create, track, and adjust goals as necessary throughout the year

We will utilize District Pacing Guides to plan instruction and assessment of student learning

We will initiate small and whole group instruction based on students' needs

We will be given opportunities to engage in professional development to enhance our skills

We will utilize a variety of instructional strategies to promote success for all students

We will identify & teach age/grade level specific technology skills needed for the 21st century

Build a grade span plan for technology skills

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	38.0	45.0	47.0	45.0	48.0	50.0
Mathematics (grades 3-8 and 11)	23.0	27.0	34.0	31.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

School Safety Plan (School Year 2018-19)

The North Country Safe School and Emergency Preparedness Plan is updated annually with our current version approved in January 2019. The Safe School plan is reviewed with faculty at the beginning of each school year.

The Emergency Response Plan has as its primary objectives:

1. To save lives and avoid injuries;
2. To safeguard school property and records;
3. To promote a fast, effective reaction to coping with emergencies;
4. To restore conditions back to normal with minimal confusion as promptly as possible.

Attaining these objectives will require clear activation procedures and responsibilities, identification of all tasks to be performed and by whom, an organized yet flexible response, and the dedication and cooperation of all.

It is vital to the continued functioning of the school, staff, and students that we are prepared to respond effectively in times of emergencies. Such preparations will also help us meet our obligations to our community.

This plan has been developed in accordance to district guidelines to be used in case of an emergency. All members of the faculty and other employees should:

1. Familiarize themselves with this plan,
2. Be prepared to activate it immediately, and
3. Perform any duties to which they are assigned to make its activation effective.
4. Participate in annual district "disaster drill."

Members of the faculty shall teach the appropriate sections of the Emergency Response Plan to the students. The members of each classroom shall be instructed in the evacuation plan so they can respond immediately upon receiving the necessary warning.
